Personal Growth

Freedom in Christ is overcoming sin's power and the devil's lies through repentance and faith in the truth, joyfully living in the fullness of the Holy Spirit as a loved, significant, accepted, and secure child of the God of grace. Freedom in Christ is becoming mentally, emotionally, and spiritually unstuck to live life as God intended.

Union and communion with Jesus

- Soul Rest
- Silence and Solitude
- Solace and Consolation

Breakout 1 (My ‘being’ to His ‘being’)

Recall the ‘What do you want?’ question from the beginning.

- How has Jesus met you in this desire?

The Reposition Stage was about finding your place in the Father’s house as His child.

- How has God spoken to you about this?
- In what ways do you struggle with the orphan heart?
- What name did He give you in the Grace Course?
- In what ways do you struggle with your position in Christ?

Breakout 1 (Transformation for life)

Experiencing truth, turning, transforming

- What does the phrase freedom in Christ mean to you now?
- How do you personally grow spiritually in a contrary world?
- In what ways will you maintain your significance, acceptance, and security in Christ?

- Walking in...truth, forgiveness, repentance, the Spirit, in freedom, etc.

SAS is number 1!

Spheres of Influence and Leadership in People-Systems

Christian leadership is the interactive relational process of influencing people and people-systems toward beneficial outcomes through your identity, character, and calling in Christ, using your God-given strengths and spiritual gifts as well as your talents, skills, and knowledge.

Our definition of Christian leadership applies whether you are a natural leader, a contextual leader, or a situational leader. Although natural leaders lead as part of their natural disposition, this does not mean they are necessarily better leaders. Everyone needs to learn how to lead. Everyone can improve their leadership.

As a BAD (Being and Doing) leader, you have the great privilege of impacting others informally and formally for the kingdom of light. Consider how God has rescued and redeemed us, and even now empowers us to fulfill His purposes in and through us!

In any given moment, the opportunities to participate in reversing the vicious circles of the world and the devil in unbelievers and believers are both plausible and possible.

Breakout 2 (Situational leader)

- Describe your spheres of influence and level of connection.
- In what ways do they include next generation impact or cross-cultural impact?

Wednesday, September 20

- Commend each other to the Lord for current spheres and opportunities for future connections in your communities.

Breakout 3 (Contextual leader)

- Describe the leadership role you have in your people-systems.
- What do you see as opportunities for health and growth in your people-systems?
- What do you see as future opportunities for ministry?
- Commend each other to the Lord, both specific leadership role and people-system.
