A new six part Church Leadership Course

A vision for the Church as God's Glory Container

"And we all, with unveiled face, beholding the glory of the Lord, are being transformed into the same image from one degree of glory to another.

For this comes from the Lord who is Spirit."

(2 Corinthians 3:18)

AN INTRODUCTION FROM SETH

Seth has served in the local church for over 25 years in the roles of Executive Pastor, Church Planter, Lead Pastor, and Elder. He has a passion to equip the Church to transform the nations, and he absolutely loves to see people experience the full and abundant life that Jesus came to give them.

As a pastor for many years, he noticed that spiritual growth often happened at a glacial speed because many people had not yet identified and properly dealt with the things that were hindering their relationships with God and others. Now he enjoys connecting leaders and equipping people with the proven discipleship principles and practices of Freedom in Christ so that they can go on to bear much fruit!

THE CHURCH AS GOD'S GLORY CONTAINER

What if the Church - your church - could truly become what God imagined before the world was even created? That is the vision behind **Becoming the Church God Imagined**, a brand-new six-session leadership course for Church Leadership Teams across the globe.

While Jesus walked this earth, He was the image of the invisible God - all of God's fullness dwelt in Him. When the Holy Spirit came on the disciples at Pentecost, the Church became the literal body of Christ on earth: God's glory container, here and now.

IMAGINE IF THE PEOPLE IN YOUR CHURCH UNDERSTOOD THAT WE – THE CHURCH IN CHRIST – ARE GOD’S “GLORY CONTAINER”.

This course helps church leaders rediscover that extraordinary truth and gives them a practical, Spirit-led route forward — to lead their congregations into becoming:

- The family of God, living in perfect unity and love.
- A place of transformation, where members grow more and more like Jesus.
- Where everyone believes we are the flesh and blood through whom God continues His work of rescuing, redeeming, reconciling, and restoring captives.
- The people of God, displaying His wisdom in the spiritual realms.

WHY DOES IT MATTER?

When churches become what God imagined, the ripple effect goes far beyond Sunday services. Marriages are restored. Families are healed. Communities are transformed. This course, written by experienced church leaders, gives leadership teams the vision and practical tools to make that happen - right where God has placed them.
